

AquaMarines

August

By Kara Aniya

AquaMarines: We officially have officers!!! By unanimous vote, your new leader is now Sean Breit, with your second in command being Fred McConnell! We are still looking for a new Secretary and Dive Master, so if you're interested or know anyone who is, please let us know. We've also decided that our next club **dive** will be on a Saturday, date and location to be announced. We're open to suggestions. Come by the next AquaMarines meeting to give us your pinion.

Sales: We are currently emptying our storage locker which is filled with our 2 piece rental wetsuits (going for \$75 each), and non-weight integrated BCD's (going for \$125 each). If you're interested give us a call . We're also selling select BCDs for 20% off. Stop by and see if there's anything you like. Finally, when you sign up for any class you get \$5 off of a Scuba Center T-shirt, polo, or hoodie (because we all know that you can't be a real diver without a dive shop t-shirt!).

Travel: Word on the street is that the 4th of July trip was amazing. Divers saw a blue whale swimming right next to the boat! (You probably don't believe me so check out the video on our Facebook page). Everyone had a good time and we certified a rescue diver, a nitrox diver, an advanced open water diver and a junior advanced open water diver! Our next Conception trip will be on October 21—23. That's right, you will be there for the opening of lobster season. That trip will be geared towards hunting and eating **lobster....** we already have 16 divers registered for the boat and spots are going fast! Also, in JULY, 2011 we will be taking a trip to Belize on the Belize Aggressor III. This will be a 7 day live aboard trip and we already have 12 people signed up. Call the shop for details.

Classes: Thanks to some dedicated divers, we are bringing back our **Seal Team** program. If you have a youngsters at least 8 years old who would like to dive give us a ring. We will set them up with an instructor for this pool conducted dive program. They can even dive to 12 feet in the pool. WOW!

Random Tidbits: If you see Terry the instructor,...congratulate him. He and his wife just had their second happy, healthy, baby girl. This means that now we can finally get his wife diving!

DUI dry suits have extended their free \$300 worth of zip seals on new suits ordered until September 30th!

Aqua Lung is offering a \$500 discount on Aggressor live aboard bookings with the purchase of an Aqua Lung BCD/Regulator/Dive computer. In addition, with a class sign up you receive a FREE Air Source!
