End of the Year

By
RAY SIMON

It's that time of the year to reduce stock, finish up the paperwork that the tax man will want and look forward to 2009. With that being said, we will be offering some sweet discounts on selected items. What drives a decision like that is not only a slower economy and a good time to adjust inventory, but also it is a time to show gratitude to our customers who have kept us here for over 15 years! With Christmas coming up this is an opportunity to not only to save some bucks while buying yourself or that someone special a scuba gift, but to upgrade your gear. Some of the items we'll be discounting are: all men's and ladies two piece 7mm wetsuits—**30%** off suggested retail; men's Drysuit—size large-**30%** off suggested retail (one only); all non-weight integrated BCD's (except Aqua Lung and Aeris) **40%** off suggested retail (in stock only); all Dacor and Mares regulators (in stock only) **30%** off suggested retail; All rental non-weight integrated BCD's and all rental two piece men's and ladies 7mm wetsuits **50%** off suggested retail.

If you don't see what you want, stop by as we will be making deals limited only by prudence and any manufacturers price limitations. Our payment plan for those who need it will also be available. This is a tough sale to say "no" to. We hope that these deals will end up in what we call a "Win-Win" situation.

For 2009 we are planning both local and international travel. We have booked the Conception liveaboard of Santa Barbara for the annual 4th of July trip (2-4 July, 2009). We will also be looking at another awesome October lobster trip with Truth Aquatics. That date will be determined. Stay tuned for some travel destinations to the Caribbean...to be determined soon.

That being said, I want to not only thank you for your patronage whether it has been for many years or you are a new customer. We appreciate every one of our customers. Customer service is always our number one goal.

Thanks for taking the time to read our newsletter. Hope to sea you soon at
THE SCUBA CENTER .
