

The Scuba Center & Oceanside Scuba and Swim Center Present...

July 2011

Dear Kara,

*We shall call this
"Post-Dive Conversation - Lewis Carroll Style"*

"The time has come," the diver said
"To talk of many things:
Of deco stops-- and new spring straps--
Computers-- and D-rings--
And how the Ruby E will rot
And Cormorants' small wings."

"But wait a bit," Divemaster cried,
"Before we have our chat;
For some of us are out of breath,
'Cause some of us are fat!"
"No hurry!" said the boat captain.
They thanked him much for that.

"A taste of beer," the captain said,
"Is what we chiefly need:
But only on the way back in,
PADI police are mean.
Now if you're ready, Divemaster,
We can begin to feed."

"Did you see?!" the diver cried,
Turning a little blue,
"After the bow, there was lobster,
a little toilet too!"
"The dive was fine," Divemaster said.
"Did you enjoy the view?"

Sincerely,

Kara Aniya

We'd like to take a minute to thank Terry McLaughlin. He is an extremely hardworking and well loved

BOTH SHOPS WILL BE CLOSED ON JULY 4 (we will be lighting off fire crackers or diving the Channel Islands)!

SWIM LESSONS ARE BEGINNING THIS WEEK! Scott, our new instructor, is Red Cross certified, as well as a commercial diving instructor (cool!). Stop in to ask about lessons.

We just hired a new employee, KENNY, stop by on the weekends and say hi to him.

Buy us!! Do it now!!

We got some new boat coats in - they're pretty sweet because they have pockets with holes in them so you can actually change out of your bathing suit without doing that awkward towel change thing that only SoCal natives seem to have mastered.

We also have a ton of leftover cheapy-cheapy used BCDs and Farmer John wetsuits. They are taking up room on the sales floor so stop by and make us a deal - no reasonable offer will be turned down!

GET IN THE WATER!!!

TGI Tuesdays, Dive-a-thon, and other news.

Josh and Kara have implemented TGI Tuesday Night Dives at 7pm. If you're interested in joining, call the shop to see where they're diving that night.

Also, here's your opportunity to [Dive For A Cause!](#) The San Diego Oceans Foundation is holding their annual dive-a-thon in July and August. It's \$25 to sign up and for every minute you spend underwater during those months you earn one point. For every dollar you raise, you earn two. The money goes to marine science and pollution prevention programs. SDOF has over \$10,000 in prizes for those high point earners. (And if all else fails, you get a cool t-shirt.) You can earn points no matter where you dive (ahem - for those of you going on our Channel Islands or Belize trips, this is a good time to sign up for the dive-a-thon, all of those logged minutes will count!) Or don't sign up. I want to win all of the prizes anyway, and you're just competition.

OK, I lied. I have no other dive news to report.

AQUAMARINES ELECTIONS

July 20 @ 6pm @ OSSC

Come one come all, it's time to get some new officers and new t-shirts. My bribe requests no longer work on the old officers, time for new ones.

instructor. Under his tutelage, our instructor candidates have become instructors, our divemaster candidates have improved their skills, in preparation for becoming divemasters. He has taken many timid swimmers and patiently turned them into strong Open Water divers.

Terry, when you move back to Idaho you will be missed. (And of course we'll always have a spot for you on our staff when you realize how awesome SoCal is and how much you miss us!)
