

When the Cat's Away, the Mice Will Play

By Kara Aniya

Just kidding, Ray. We're working hard while you're lounging in the sun. :-)

DUI is hosting another promotion. This promotion will include FREE Zip seals on any DUI drysuit ordered by 3 June 2010. This is an exceptional deal. A purchase of one of these lifetime of diving high dollar suits can be done through our GE Money program. This program offers either 6 month or 12 months, no interest, minimum payment. Not a bad deal. Also, May is PADI's Dry Suit Specialty of the month....

We are looking for volunteers to assist the Wounded Warrior Battalion members to learn to scuba dive and/or act as Dive Buddies to those wounded Marines and sailors that have given so much for their country. There is a required training session for both dive professionals and any certified diver who wished to be a volunteer for this program. Training will begin on 16 May at 7 p.m. (Sunday night), all day on 17 and 18 May, and all day (ocean dives) on 23 May. At this time there is a fee to cover expenses only for instructors and buddies; however, we have requested funding to pay for the above training. Please stay tuned. If you want to participate in this program you MUST notify Ray soonest.

Aeris Pre-Season Promotion. Aeris has reduced the DataMask (HUD mask) from \$1494.95 to \$1195.95. They have also reduced a number of their other computers and regulators for the same period of time. This reduction is available until 31 May 2010. Yes, we have them in stock!

Our 4th of July Santa Barbara live aboard trip is half sold out. This is an annual trip that we do and is always a lot of fun. This trip is designed for fun dives, photo dives, and hunting. You may rent fishing gear at the dock if you'd like to do line fishing. The boat also has a kayak aboard for between dive fun.

The Cozumel trip was a blast. We took eleven divers to drift dive and couldn't have had a better trip. A number of the divers came back with their Advanced and Nitrox certifications. We are looking forward to our next trip. Stay tuned for the one.

This is a great time to purchase your own gear. With the economy waiting to be kick started, many of our companies are offering great incentives. Stop by and talk to Kara, Joey, Nick, or Ray to learn what is waiting for you!
