FREE BOAT DIVE

(What?! Did she just say FREE? That can't be right.)

By Kara Aniya

AquaMarines: OK big news here. The AquaMarines are doing a FREE boat trip. That's right, a boat trip to Wreck Alley (then a BBQ) on Saturday, September 11 at no additional cost to members!! All you have to do to get on this trip is to pay your dues and be one of the first 14 members to sign up. We're going to dive the Yukon and the Ruby E, so make sure that you've taken your Refreshers, Deep Diving and Wreck Diving classes in order to really take advantage of this dive. Spots are going fast, so come in and reserve your place today! We are also redesigning our club logo, if you have any ideas you can submit them to the shop and we'll get some new T-shirts printed ASAP. Furthermore, the club is also sponsoring an ocean clean-up in Oceanside Harbor on September 25 for Project AWARE's international ocean clean-up day. Moral of the story—join the AquaMarines. You will get free dives, an AquaMarines T-shirt, \$10 off of all classes above Open Water, \$1 off of air fills, a BBQ every month, product testing (Aqua Lung is coming out next month so we can try out their new products in the pool), and the chance to meet awesome divers like yours truly.

Sales: Normal sales are continuing, I'm still trying to get rid of half of our rental gear (Farmer John's and non-weight integrated BCs) so come in and make me a deal. I'm also trying to clear our used gear section in order for me to have room for new top-of-the-line products. Help me out here! **DUI** dry suits are still giving away \$300 worth of zip seals with new suits ordered by September 30th! **Aqua Lung** continues to offer a \$500 discount on **Aggressor** live aboard bookings (ahem... they are the company that we are diving with next July!) with the purchase of an Aqua Lung BCD/Regulator/Dive computer. In addition, with a class sign up you receive a **FREE** Air Source!

Travel: As everyone knows, we are going on a lobster trip with Truth Aquatics in October. Our store already has more than half of the boat sold. We are also going on a trip to Belize on the **Belize Aggressor III** next July, where we also already have more than half of the boat sold. These are great opportunities to travel and dive with friends so let us know if you're interested in signing up for either trip.

Classes: Want to dive the wrecks of the world? We have a class for that. Want to learn to take beautiful photos of those playful sea lions that you see down at the Cove? We have a class for that too! Let us know what you're interested in. If we already have the class scheduled we'll get you into it, and if not we can set one up for you! By special request, Bob Stanley is flying out to give the PADI Specialty, Equipment Repair on 7 September. Do NOT miss this class. Call in to sign up for this specialty soonest.

Random Tidbits: Next time you see Dave congratulate him. He and his wife just had a beautiful baby girl! We are also keeping a **Holiday Wish List** record in the shop, so if you've been eyeing gear that you just can't bring yourself to buy, put it on the list and maybe Santa will bring it to you (or maybe I'll just send an email to your spouse letting them know that I know you're secret desire).

Congratulations to all of our new divers and a special thanks to one of our new divers who happened to save my life in the shop on a day when I was being particularly clumsy! Actually, I cut my finger with a sharp dive knife! If you haven't planned your next dive yet, stop by an AquaMarines meeting, there's always someone there that wants to go diving (OK, it's usually me...).
